FLAVOR	Black cherry, Blackberry jam, Baking spices
FOOD PAIRINGS	Steak-au-poivre with fires; Teriyaki & soy marinated grilled tempoh
VINEYARD DETAILS	Anna's Estate Vineyard 1400 - 1695 feet Calcareous Limestone Soil

Adelaida has organically-farmed vineyards in the coastal influenced Santa Lucia Mountain Range on the west side of the Paso Robles AVA. Situated on steep hillsides, these sites lie within the Adelaida District, a sub-appellation in the northwest corner of the wine region. With elevations ranging from 1400 - 2050 feet, limestone subsoils, and extreme diurnal temperature swings, averaging 45 degrees, Adelaida produces wines with distinct expressions of their site.

The winter months between 2020-2021 were cool and dry, with just 7.25 of rainfall and an average temperature of 51 degrees Fahrenheit. These conditions spurred an early bud break, followed by a moderate spring and warm summer with no heat waves. These conditions allowed harvest to proceed at a mostly predictable pace; the sugars evolved slowly due to limited heat spikes, and the acids remained high across all varietals.

Our highest-rated wine, Anna's Signature Syrah is robust and intense. Immediately, you will notice aromas of blackberry jam and prosciutto, along with earthy notes of roasted mushrooms and Kona coffee, creating layers of flavor. When you take your first sip, you'll experience a well-balanced blend of alcohol, acid, and tannins. On the palate, you'll taste flavors of black cherry, baking spices, and molasses, hinting at a rich yet restrained power. This wine is delicious now or cellar four more years for an outstanding transformation. Best enjoyed before 2034.

VARIETAL	Syrah 100%	COOPERAGE	Aged in 50% new French oak barrels for 18 months
ALCOHOL	14.6%	RELEASE	Fall 2024
CASES	267	RETAIL	\$75
